To apply for a residence permit, you will be required to have a one-year tenancy agreement. If you plan not to stay in Serbia for that long, you may need to terminate the agreement prior to maturity with the risk to lose your deposit.

We advise you to negotiate such issues with landlords in person. If you do not plan to rent housing and to stay in Serbia all the time , you may contact us to arrange all the required documents (tenancy agreement and "white cardboard" suitable for applying for a residence permit).

This step will be held as soon as you receive your "white cardboard". Your legal address will be required, but if you don't have one, we will be able to provide it for you on rent.

Simultaneously with registering individual entrepreneurship for you, we will open a bank account for your name.
