CITIZENSHIP BY INVESTMENT

# What's special about Antigua and Barbuda?

Antigua and Barbuda is a state on islands of the same name and the island of Redonda in the Lesser Antilles group

---

Antigua launched a second citizenship program in 2013

---

Part of the Commonwealth of nations of Great Britain

---

**Economy** - tourism, government services, industry

---

**Currency** - Eastern Caribbean dollar, the exchange rate has not changed over the past 40 years

# What is citizenship by investment?

**Citizenship by Investment** is a process of obtaining a second passport by investing significant amount of funds. Such investments could be:

- non-refundable donation to the state that contributes towards the economic growth of the host country
- Investment in approved real estate projects.

Dual citizenship gives successful applicants the right **to live, work and invest in their host country**, while benefiting from the country's unique passport privileges. The unique advantages that come with second citizenship make it an attractive option for entrepreneurs and investors in search of **financial freedom**, and **families seeking better opportunities and a safer future**.
