

FRANCE RESIDENCE PERMIT. TALENT PASSPORT (CREATIVE PERSONALITY)

Residence permit - “Talent passport: creative personality” - conditions and requirements

Residence permit “Talent passport”

Creative personality

The “Talent Passport” program is designed for applicants of creative careers:

- Artists
- Designers
- Bloggers
- Actors
- Screenwriters
- Directors
- Tattoo artists
- Authors of art works

Development of a personal file to participate in the program

Part 1: Your Legend

This should present you as a successful individual in your creative field, with a proven track record and achievements

Your Connection with France

In this part, you should describe why you would like to continue your creative activities in France, and what is your plan for that.

All possible contacts of potential clients interested in you, whether they are individuals or companies willing to cooperate with you, are used to substantiate your motivation

3

Documentary Confirmation

- Letters of recommendation
- Your career profile
- Media mentions
- Participation in contests and exhibitions

Documentary Support

- Letters of intention
- Business plan for developing activities in France

Program Features and Benefits

Residence permit for the whole family

The family receives residence permits with the right to work and do business

Right to work and do business

You can be employed and do business in France

Key stages of a residence permit

Applying for a national “D” visa in the country of citizenship or residence permit, then applying for residence permit in France

Program Features and Benefits

Short processing time

Residence permit can be obtained as soon as in 6 months, of which 2 to 3 months are the waiting time for the application to be approved

Running a business in France

It is necessary to declare the income of the activity

If you have no connection with France

Our experts take over the development of your file. This is called a “producer’s case,” and we’ve already had a lot of successful cases
