What is citizenship by investment?

Citizenship by Investment is a process of obtaining a second passport by investing significant amount of funds. Such investments could be:

- non-refundable donation to the state that contributes towards the economic growth of the host country
- Investment in approved real estate projects.

Dual citizenship gives successful applicants the right **to live, work and invest in their host country**, while benefiting from the country's unique passport privileges. The unique advantages that come with second citizenship make it an attractive option for entrepreneurs and investors in search of **financial freedom**, and **families seeking better opportunities and a safer future**.

New opportunities with Vanuatu citizenship

The program is suitable for those who plan to

- Purchase foreign **real estate**
- Expand **your business abroad** and cooperate with foreign companies
- Send children **to study abroad**
- Receive any services abroad, including medical services
- Get a **European residence permit**
- Open bank accounts abroad
- Make it easier to move around the world

Program Changes

from September 30, 2025

Digitalization of the process

According to a new regulation issued by the Government of the Republic of Vanuatu, the Vanuatu immigration and passport services will no longer be receiving manual passport applications from September 30, 2025. These changes were previously planned as the Vanuatu Immigration Department was implementing new E-passport systems to meet ICAO international border regulations.

Biometrics

All applicants will now need to enroll to Vanuatu or one of the Vanuatu overseas consular offices to submit biometrics. According to recent reports, the government has already opened offices in Hong Kong, Dubai, New Caledonia, and is also planning to open offices in other countries.
